## Inkle Weaving in the Round

with Angela Schneider

### WORKSHOP DESCRIPTION

A round-robin workshop on inkle weaving! Try out a variety of patterns, yarns, and techniques. This workshop will examine design elements in plain-weave bands, and cover advanced techniques such as pick-up, rep, beading, tubular weaving, and more. Participants will warp a loom and weave samples in a variety of patterns and techniques. Several plain weave bands will illustrate patterning options, with lecture discussing how to create those effects. Advanced techniques include beading, rep, tubular weaving, clasped weft, and pickup. Bands will also use a variety of materials and equipment. Instructor will provide additional warped looms.

**EXPERIENCE LEVEL:** *Intermediate: prior band weaving experience*

**MATERIAL FEE:** \$20

### STUDENT SUPPLY LIST

- Inkle Loom\*
- Belt shuttle\*
- sewing gauge or small ruler\*\*
- colored pencils\*\*
- scissors\*\*
