Pin Loom Weaving Basics and Beyond

with *Raeus Jae Cannon*

WORKSHOP DESCRIPTION This workshop will introduce students to pin loom weaving. This weaving method began in the 1920's so people could make cloth from scraps. Today, pin looms are gaining in popularity. From the curious to those who own their own loom, this workshop will be a great way to get started and hone their skills. With demonstration and working at their own pace, each student will learn the entire process: warping, weaving, yardage requirements, yarns to use (and not to use), reading a pin loom draft, and different techniques for seaming squares together. At the end each will walk away with their own infinity scarf.

EXPERIENCE LEVEL: None

MATERIAL FEE: \$40 only for those purchasing a pin loom

STUDENT SUPPLY LIST

- Pin loom with needle (or purchase at workshop)
- At least 15 yards each light color DK yarn
- 2 to 6 different yarns you like
- Scissors
- Darning needle
- Wrist strength!
- Ability to firmly hold a long thin needle

ABOUT RAEUS JAE: Raeus has a BS in Interior Design from the University of Tennessee. She owns Referral Excellence Organization LLC and previously was a certified addiction counselor. She has exhibited her artwork extensively in Tennessee and done several pieces of commissioned work. She has published patterns for a cowl with a twist and a loop cable hat. In addition, she has an active teaching schedule for both basic knitting and loop techniques, as well as for pin loom weaving. She is member affiliate with Arts & Cultural Alliance, Foothills Craft Guild, Southern Highland Craft Guild, Surface Design Association, The Knitting Guild Association, and Townsend Artisan Craft Guild. She has also participated in group exhibits at The White Dog Gallery, Art DeTour, Arnstein Jewish Community Center, Fifty Plus Exhibit, and was awarded 'Best of Show' at Fiber Forward in Pittsburgh PA in 2018 for Waves & Whirlpools.
